

N Javeed Akbar

Hello friends!

I am Javeed Akbar, I joined Fiitjee Global School at my 9th standard in 2021. I was struggling more in 9th std when I joined FGS - A3, I was new to the atmosphere of FGS like module tests, Fiitjee packages, tab assignments etc. Then the faculties of FGS motivated me and guided me to the right track. I renewed myself in 10th std and was optimistic in everything. In the beginning of my 10th, I scored average marks in every subject. The watershed moment in my academics was observing the results of my half-yearly exam. I was hit rock-bottom as I scored very low marks in my exams. Then the teachers

guided me and found where I went wrong in the exam. From that point I began to focus on studies very sincerely. Though, I began to be sincere, my II Lang - Hindi

I want to thank every faculties who helped me to score 47% in my Boards. A special thanks to the management for conducting many exams like split tests, pre-boards, revision exams etc. to boost my confidence for the final board exams.

I hope my letter will inspire my juniors and I wish them all the very best! for the upcoming board exams.
